

DEMONSTRATION FOR BOND CAMPAIGN WILL BE HELD

RETURNED AIRMAN WILL SPEAK HERE

Lieut. R. T. Ross, Who Was Wounded While in French Aviation Corps, is Coming

OTHER MEETINGS ELSEWHERE

Patriotic Demonstrations Will be Held at Carthage, New Salem and Andersonville

A meeting to advance the Liberty Loan campaign in this county will be held in the Graham Annex auditorium Wednesday night at 7:30 o'clock and the main address will be made by Lieutenant Raymond T. Ross, son of Mr. and Mrs. Charles W. Ross of Crawfordsville, Ind., who has seen service in the French aviation corps and is home on a furlough because he was disabled. A. L. Gary, chairman of the County Council of Defense, was instrumental in making arrangements to have Lieut. Ross speak here. There will also be an address regarding the Liberty Loan by an Indianapolis man. Wilbur Stiers, secretary of the Liberty Loan organization here, went to Indianapolis today and arranged for Frederick A. Watson to speak.

Wednesday was designated by President Wilson as Liberty Bond day and in addition to the meeting here, there will be a patriotic demonstration at New Salem on that date. The Carthage meeting will be addressed by Fred Van Nuys of Indianapolis this evening at 7:30 and Douglas Morris will speak in the afternoon at two o'clock at New Salem. Andersonville also has planned a meeting for Tuesday night and Judge Sparks will be the speaker.

On account of the diphtheria quarantine still being in force, all persons under twenty-one years of age will be barred from the meeting. The city health board was consulted and gave its approval of the plan to hold the meeting because it was announced. Watchers will be stationed at the door to see that none under age are admitted.

Lieut. Ross returned about a week ago bearing a hero's wounds which he received while flying over the German lines in an expedition under French colors. He was hit in the leg by shrapnel while flying at a height of about a mile and a quarter over Gorges, Germany, and was given a leave of absence to recuperate fully from the effects.

Lieutenant Ross left Crawfordsville on March 5 sailing for Bordeaux within a short time and landing there April 4. He immediately began intensive training for the aviation work at the largest school in the world for that purpose, situated at Avord, France. From this training he was graduated in July and qualified for the service. Upon his arrival at the front he was a member in several raids and during his stay at the front he has engaged in eleven such attacks. One of these was in the historic Verdun region. He saw six weeks' active service.

In the last of these attacks Lieut. Ross suffered the injury to his leg when bits of shrapnel wounded him. The wound has healed but the young aviator is still a trifle lame from the effects and is taking advantage of the dull times for aviation during the winter months by coming home on a leave of absence which extends until January 15.

On every occasion that he went into the clouds Lieutenant Ross re-

Should Not Be Lulled Into a False Security

American People Are Warned That They Will Have to Subscribe Heavily to Make Liberty Loan Success Because Only 40 Per Cent is Taken.

GERMAN LOAN IS SUBSCRIBED

(By United Press.)

Washington, Oct. 22.—The American people should not lull themselves into false sense of security over the Liberty Loan. They must subscribe heavily all week. This warning was sounded today by treasury officials, intent on putting across the bond issue by next Saturday night when the subscription books close. So far only about forty per cent of the total has been taken. Failure to support the loan to the utmost will give comfort to the enemy, the treasury pointed out, especially in view of Germany's success in floating a seventh loan of over \$3,000,000,000.

The treasury emphasized that its public figures on loan sales to date have represented exactly what district reports showed. There has been no lowering of totals to spur on workers. For that reason the nation must not regard the loan as a success until the last dollar is in Saturday.

turned with the aircraft which he piloted shot full of holes. The German anti-aircraft guns play a steady tattoo on the machines and in order to avoid serious disaster it is necessary for the pilots to be able to perform startling aeronautical acrobatics. In this department the local aviator has won a name for himself even among the experienced and seasoned flyers of many a campaign.

The aircraft which Lieut. Ross uses is a 240-horse power machine and is kept at an average height of a mile and a quarter from the ground when engaged in attacks. He likes the life of intense excitement and nervous strain extremely and is eager for the time when the spring will start more activities in the air against the Germans. He will remain in Crawfordsville at the home of his parents until time for him to report again to the French flying corps where he has so distinguished himself.

TO SUPERINTEND ERECTION

Will McGuire Will Be Employed by Government on Aviation Fields

Will McGuire of Indianapolis, formerly of this city, now associated with the firm of architects, McGuire and Shook, has been commissioned an aviation mechanical engineer and will superintend the erection of government aviation fields. Mr. McGuire will not be a part of the military forces of the nation, but will retain his position in civil life. His new work will not take all of his time and will not interfere with the firm's business. Mr. McGuire has just returned from Washington where he was in conference about plans for some of the fields which are to be erected at once.

Gary—Five hundred and ten dollars and six months in prison was the sentence given Sam John for hitting a 17-year-old girl.

COUNTY IS NEAR HALF WAY POINT

Reports Today From Banks Show \$445,700 Subscribed to The Liberty Loan

BEGINNING OF FINAL WEEK

Statement From District Headquarters Reveals County Has Regained 4th Place

Rush county's Liberty Loan subscriptions reported by the banks today amounted to \$445,700. This is a little less than the county's maximum quota of \$944,000.

The final drive to make the county allotment was begun today because only a week remains since the campaign closes on Saturday.

The statement from the seventh federal reserve district headquarters today showed that Rush county had regained fourth place in the list of sixty-nine Indiana counties in the district. The last report placed the county in fifth place after having once been in fourth position.

Today's report from the banks, showing actual subscriptions up to Saturday night, reveals an increase of \$115,000 since the last report from them Friday. It shows that subscriptions are coming in faster than at first, but that the average daily subscription will have to be much larger if the county is to make its allotment by Saturday.

The county chairman today received a communication from district headquarters saying that the district is anxious to establish an honor roll of counties which have fully subscribed their quota on the \$5,000,000,000 basis. The county organization is going to work to that end during the next few days and hopes to be able to show the full allotment taken before Friday.

Another statement says that collectors of internal revenue will be authorized to accept in lieu of imposed by the war bill on floor stocks of whiskey, cigars, tobacco etc., Liberty Bonds equivalent to the actual amount of taxes due.

The final week of the campaign was given an auspicious start yesterday when every minister in the county preached a sermon in regard to the Second Liberty Loan. All congregations sang "The Star Spangled Banner," and all services were of a patriotic nature. Unusually large attendances were the rule all over the county, according to reports received today.

The statement from the federal reserve district headquarters covers reports received at Chicago up to the close of business last Thursday. At that time Rush county had subscribed 31.2 per cent of her maximum quota. The subscriptions, the reports received at that time showed, amounted to \$223,100 and the number was 434.

Newton county wrested the lead in the state from Dearborn by making a big increase in this report. She has subscribed 58 per cent of her quota, whereas Dearborn's percentage is only 49.7. Fayette county is third with 32.2 per cent, which is only slightly larger than Rush. Wayne county, which went ahead of Rush in the last report, fell behind in today's report showing a percentage of only 30.7.

Mr. and Mrs. S. A. Riley are moving from the Thomas farm near Homer to the Andrew Kincaid farm in Richland township.

SHOULD AVERAGE \$14,987

Collections on Fall Tax Installment to Date \$87,053.19

To collect all of the fall installment of taxes by the first Monday in November, which is the last day for taxpayers to pay without being assessed a penalty, the county treasurer's office must receive an average daily of \$14,987, it was announced at the treasurer's office today. Collections Saturday amounted to \$17,883.76, bringing the total collections on the fall installment to date up to \$87,053.19. The balance to be collected amounts to \$179,946.81.

QUARANTINE BAN STILL IN EFFECT

Restrictions on Public Meetings Continued As 2 New Cases of Diphtheria Are Found

SCHOOLS ARE NOT REOPENED

Because two new cases of diphtheria have developed since Saturday, the health board has rescinded its order lifting the quarantine. As a result, the city schools were not opened today as planned and the same restrictions regarding all public gatherings are still in force. A child of Mrs. Nellie Marts and the son of Mr. and Mrs. John Ganter both have been found to be suffering with the disease. A case was reported Saturday morning, making three cases in as many days.

The schools will be closed at least another week and longer if it is necessary to stamp out the epidemic. The city health board today appealed to parents to co-operate by keeping their children off the streets and from gathering in crowds for play. The health board pointed out that this was necessary to stop the epidemic because it had been found that closing the schools did not prevent the spread of the disease.

Red Cross headquarters will remain closed until the quarantine is abated. Sunday school was held yesterday, but the attendance was small.

FUEL COMMITTEE FOR COUNTY IS APPOINTED

Is Given Power to Act at Once and May Open Fuel Yards If It Becomes Necessary

HOPE TO PREVENT SUFFERING

A fuel committee, consisting of Samuel L. Trabue, chairman; James V. Young and Arch Bogue, was appointed at the meeting of the County Council of Defense late Saturday. The committee is given the power to act immediately and in an emergency, to open fuel yards if necessary in order to relieve the situation. The committee will have the power to do all possible to prevent suffering in the locality from lack of fuel during the cold weather and will take up the problem immediately.

One solution to the problem is suggested by the Council of Defense is using all down timber and tops of trees for fuel. Anyone having such timber who will give it away for the cutting, is asked to notify either a member of the committee or A. L. Gary, chairman of the Council.

SERBS ARE STARVING

(By United Press.)

Rome, Oct. 22.—Fifty thousand Serbs are starving and sixty thousand are dying on account of starvation rations in the Monastir district alone, according to the reports of the American Red Cross mission which was received here today.

DISCUSSES LOAN AT THE M. E. CHURCH

Senator James E. Watson Makes Short Talk Following Sunday Morning Service

ATROCITIES NOT HALF TOLD

Says Subscribing to Loan is Not Only Patriotic Duty But is Necessary to Win War

Senator James E. Watson made a short talk at St. Paul's M. E. church yesterday morning following the sermon by the Rev. C. H. Black on the Liberty Loan. In showing the grave necessity of subscribing for the Liberty Loan he said:

"There is no doubt in the world that Germany would have whipped the Allies had the United States not come to their rescue with men and money. Having whipped them, her plan was next to come to the United States. It is our choice to bring Germany to her knees now or whip her alone. It is an unfortunate circumstance, but it is here and we must face it."

Senator Watson referred to the stories of the German atrocities and said that he thought they had been "cooked up" to inflame the United States citizens.

"I have taken a great deal of pains," he said, "to inquire of people who have come to the capital and have been in the war zone concerning these stories, and they are not half told."

By dwelling upon the seriousness of the situation, Senator Watson showed that it was imperative not only as a patriotic duty for people to do their share in subscribing for the Liberty Loan, but that it was necessary in order that we win the war and protect, clothe and feed our soldiers at the front who have to face the country who is performing such deeds in warfare.

"This country has not even started to sacrifice," said the Senator in closing, "and if we learn from his struggle how to sacrifice, the lesson of unselfishness, the struggle will not have been in vain."

Senator Watson left early yesterday evening to continue his speaking tour. He goes to Topeka, Kan., Kansas City, Louisville, Ky., and Pittsburgh among other places. He said that he had spoken every evening and almost every afternoon for the past two weeks.

BIDS SUBMITTED ON NEW HEATING PLANT

County Commissioners Had Not Awarded Contract Late Today—Second Attempt.

THREE ON GENERAL CONTRACT

The county commissioners were busy late this afternoon considering bids submitted on the proposed new heating plant to be installed in the basement of the court house. Three bids on the general contract were submitted by the State Construction company, Morris Winship of this city, and William Everley. Beale Brothers of this city submitted a bid of \$6,235 on the plumbing work and E. A. Strong and Sons, \$6,450.

The commissioners were interviewing the bidders one at a time this afternoon in attempting to arrive at a decision as to whom should be given the contract.

Bids were submitted a month ago, but all were above the appropriation and the board readvertised for bids. It was said that bids made today were inside the estimate.

Hammond — Restaurants and hotels of Hammond have made arrangements to specialize on fish dinners and take other food conservation steps.

CITY SOUTH AIR ROUTE BOUNDARY

Zone For Aviators to be Established, Center of Which Will be National Road

LETTER FROM CARL FISHER

Mayor is Advised of Plans and Asked to Have Representative at Light Display

A letter from Carl G. Fisher of Indianapolis reveals that the signal lights which may be erected here for student aviators flying between Wright field near Fairfield, Ohio and Rantoul, Ill., where there is school for flyers, will not be along a regular route to be followed by the aviators, but will be the south boundary of a so-called "zone," the center of which will be the National Road.

The letter was written to Mayor Bebout to urge him to see that a representative of Rushville was at the demonstration at the Speedway tomorrow night, when a number of sample lights will be exhibited, and to convey to him the information that the cities in which the lights are situated will be expected to bear the expense.

Mayor C. L. Bebout and several members of the city council expect to attend the meeting. The fact that the city officials are interested enough in the project to go to the demonstration indicates that something may be done here in regard to installing the lights.

The route to be established will be along the National Road via the Speedway and thence to Rantoul by way of Brownstown, Jamestown, Crawfordsville, Waynetown, Veedsburg and Covington, Ind.; Danville and Champaign, Ill.

Representatives from all these cities as well as those along the National Road have promised to send representatives to the demonstration. The demonstration is for the purpose of informing all cities regarding the character of the lights and the method of their operation.

"This is a war measure," says the letter, "and one that is highly important in the training of aviators from whose services we expect wonderful results in the winning of this war. The expense it places upon each town is nominal, and Mr. Fisher's committee trusts that they may have your hearty co-operation and that you will arrange for a representative to be at the Speedway Tuesday evening at eight o'clock for a demonstration."

The representatives of the various cities will meet at the Fisher Automobile company, 400 North Capitol Avenue at seven o'clock and be taken to the Speedway in automobiles. It is explained that it is the plan to establish in towns north of the route, at intervals of about twenty miles, three lights pointing to south, and in towns south of the main route, two lights pointing to the north. This is done, it is explained, so that "the men who are flying at night may not lose their way and go beyond the vision of the lights."

These lights can be provided at a cost of \$18.50 each, which includes the globes. The mounting and wiring would cost about \$40 additional, according to Mr. Fisher's figures. This would make the cost of the three-lights outfit about \$85 f. o. b. Indianapolis. The cost of operation is very small, the letter states, as the charge for current on the basis of ten-hour service each night would not exceed seventy-five or eighty cents a month.

WEATHER FOR WEEK

Washington, October 22.—Cool weather, probably without rain of consequence, is indicated for the beginning of the week. The temperature will rise slowly after Tuesday and it will be warmer and fair at the end of the week.

RUSHVILLE MAN RECOVERS PURSE

With Aid of Connerville Police He Obtains Money Taken Off an I. & C. Car

BELONGED TO HIS COUSIN

Connerville, Ind., October 22.—Late Friday afternoon John McCoy, of Rushville, entered the police headquarters and asked for Chief of Police Gillespie. Mr. McCoy was in search of a pocketbook, which his cousin, Mrs. Eva Cressinger, had left on a traction car, Thursday evening. With him was the conductor of the car and another man from Rushville, who was a passenger on the car.

He told Chief Gillespie, that a woman from Connerville, when asked by the conductor if a certain pocketbook lying on a seat was hers, had replied that it was. The pocketbook itself was valued at ten dollars. It contained fifty dollars in money, a gold watch and a pair of nose glasses. In all, the loss was about one hundred dollars. He described the lady to Chief Gillespie who sent Officer McKenna to the home of a woman he suspected. The purse was recovered.

Wire Brevities

Indianapolis, Ind., Oct. 22.—Representatives of the Indiana Coal Merchants association today assured Evans Woollen, new federal coal and fuel director for Indiana, they would co-operate. Horace Herr was named as publicity director for the state coal administration and took up his work today.

Anderson, Ind., Oct. 22.—A demonstration of casting ballots was given at today's session of the Indiana W. C. T. U. convention. The report of the department superintendent was read. The 24 delegates to the national convention and the next meeting palace was to be chosen this afternoon. Richmond will probably be selected for the next meeting.

Fort Harrison, Ind.—Orders were received here today which will make this army post practically vacant after Dec. 1 unless additional troops arrive. The 45th, 46th and 10th regiments of United States infantry have been ordered to leave.

Washington, Oct. 22.—Four thousand persons were killed and 6,000 wounded in Steffeld, Austria's great arsenal, in a series of explosions, according to official Rome cables here today.

Washington, Oct. 22.—Appeals in behalf of Samuel Perrott, former police chief, convicted of election frauds in Indianapolis, were made to President Wilson today by a delegation headed by George Marrott.

Indianapolis, Ind., Oct. 22.—Yeggmen today blew the safe of the Indianapolis Insurance Co., here and procured \$500 in cash and jewelry of considerable value.

London, Oct. 22.—People of England are not in sympathy with the war," Kemp Brown of London, delegate to the National Five-year meeting of Friends stated today in addressing the meeting. He declared that 90 per cent of England's soldiers were for peace at any price. Delegates today raised \$35,000 in twenty minutes for the extension of the meeting.

Washington, Oct. 22.—Condolences were sent today by President Wilson, Vice President Marshall and Senator LaFollette to relatives of Senator Paul O. Husting of Wisconsin, killed while duck hunting. Husting was particularly in the favor of the administration because of the support he has given war policies.

Terre Haute, Ind., Oct. 22.—Union officials said today that all miners who have struck because of refusal of operators to raise wages until the federal fuel administration had effected an agreement, had returned to work.

GERMAN PLANES RIDDLED

(By United Press.)
London, Oct. 22.—Six German aeroplanes were brought down yesterday during a British naval raid on British airdromes, an admiralty statement announced today.

GERMANY LOSES HEAVILY

Lloyd - George Reports Submarine Losses in 10 Months is New Record.

(By United Press.)

London, Oct. 22.—The submarines lost in 10 months by the enemy total more than twice the number destroyed during the whole of the past year, Lloyd-George announced this afternoon. He said that England had increased her ship building more than four fold. The audience cheered wildly when the premier declared "this country has determined to prosecute the war to the very last."

GOVERNMENT TAKES HAND
Will Prosecute Those Who Interfere With Coal Miners.

(By United Press.)

Indianapolis, Ind., Oct. 22.—Federal officials today started an investigation into the attempt of strike agitators to interfere with the coal miners of Indiana. The United States district attorney made public a telegram he sent to local authorities in southern Indiana. He asked them to report to his office names of all persons interfering with coal miners working. He promised prosecution if any evidence was submitted.

—Miss Dorothy Thomas, who recently accepted an advertising position in Indianapolis, spent Sunday with her parents, Mr. and Mrs. E. B. Thomas of North Morgan street.

Questions
that are frequently asked about
The Aeolian Vocalion
PHONOGRAPH

Do you have to change the needles?
No, you do not. That is, if you are content to play one brand of records exclusively.

Does it play any record?
Yes, it plays any disc record that is made, and plays it well.

Do you have to stop it?
No, it stops automatically.

Do you have to muffle it to obtain the soft tones?
No, it is provided with what is known as the Graduela, with which you may grade the tone to suit your fancies.

PRICES
Stock Style \$35.00 to \$350.00
Art Style to \$2,000.00

We will make equitable allowances on other makes of instruments taken in exchange.

Let us put one of these Instruments in your home for a few days, so that you may see the real pleasure of playing an Aeolian Vocalion. After having played one of these wonderful instruments, you will never be satisfied with anything else, and they cost no more.

Backache

In spite of the best care one takes of oneself, any part of the human machine is liable to become out of order. The most important organs are the stomach, heart and kidneys.

The kidneys are the scavengers and they work day and night in separating the poisons from the blood. It is only reasonable to believe that they are liable to derangement. Their signals of distress however, are easily recognized and include such symptoms as backache, depressions, drowsiness, irritability, headaches, dizziness, rheumatic twinges, dropsy, gout.

"The very best way to restore the kidneys to their normal state of health," says Dr. Pierce, of Buffalo, N. Y., "is to drink plenty of pure water and obtain from your favorite pharmacy a small amount of Anuric (double strength), which is dispensed by most every druggist." Anuric is inexpensive and should be taken before meals. You will find Anuric more potent than lithia, dissolving uric acid almost as water does sugar.

NEWS OF SOUTH BEND.

South Bend, Ind.—"When I began taking Dr. Pierce's Golden Medical Discovery and Favorite Prescription I was suffering from stomach trouble, constipation, and woman's weakness. The 'Golden Medical Discovery' had been a favorite remedy for coughs with my mother. I used the two remedies off and on for nearly a year. I was relieved of the womanly trouble, and the stomach trouble improved under this treatment. The 'Pleasant Pellets' have also been used with the greatest benefit."—Mrs. JOHN SHAPLEY, 613 S. Fellow St.

Pleasant Pellets regulate stomach, liver and bowels. All druggists.

Forefall Tax Increase

Two things are certain in this world—death and taxes. Invest in Liberty bonds and help forestall an increase in our national taxes.

If you are a farmer consider the following:

Bankers, financiers and others who handle money for other people always look carefully to see that a portion of their resources is invested in securities that are absolutely safe and sound, and that, another portion is liquid, readily convertible into cash.

Observance of this rule is equally beneficial to the individual, community or nation, and investment in Liberty loan bonds will give to this section of the country financial resources at once permanent, liquid, sound and stable, in no wise dependent upon crop conditions or other local uncertainties.

The rate of interest—4 per cent—is not so great a return on your money as you can make on other investments in this part of the country. But there are other considerations to be weighed. In the first place, there is loyalty to your government, to your country.

But weigh the question from the purely material side. The surest thing about the future is its uncertainty. What of the business conditions that are to follow this great war? With the resumption of world commerce will come the fiercest of competition, a revolutionary readjustment of values. In some places, a stagnation of business; in others, great prosperity.

Under these conditions—the certainty of uncertainty—it is well to have a goodly amount of capital invested in an absolutely safe and sound security. If times are hard and taxes high, what better than an assured income? It would be of inestimable value—not only to the individual bondholder, but to the business community at large.

Such a security is the second issue of Liberty bonds, now offered by the government. It is not only your privilege to invest in them—a privilege that should not be overlooked, but it is your duty to do so that you may do your part toward insuring a stability to your community when the uncertain days of the "after the war" period are upon us. It will be a heritage to yourself and your children; it will declare to the world your patriotism to your country in its time of need and will aid in overcoming the enemy.

Organized Labor

It is a matter of keen reproach to the ranks of organized labor that strikes and disturbances of all kinds should be rife just at this time when the nation needs that we should be

one as we never before have been. Doubtless there are causes a-plenty for strife—in ordinary times and under ordinary conditions. At present, and under the conditions that face this country, it would seem that, while the world is called upon for sacrifices in all the relations of life, labor might consent to bear patiently a few injustices, especially if to remedy those injustices the safety of the country is to be jeopardized. Everything that takes from the perfect unity of this country, militates against the great undertaking that we have entered upon. Now, when the country needs every ounce of its strength, is a poor time to settle labor disputes, especially if the settlement involves contention and strife. If there is not sufficient patriotism and loyalty among the employers to grant merited rights, then labor should prove itself the better patriot in bearing with injustice until our country is safe from the dangers that threaten.

Senator LaFollette

"Treason" is an ugly word. As applied to Senator LaFollette it may or may not be rightly used—only the senator's own heart can answer that. But of one thing a large majority of his countrymen are morally certain, if not positively disloyal, the senator is to say the least very imprudent. Unless his personal life and actions can effectually give the lie to his accusers, he would seem to be in a most unenviable light before the country. He has systematically labored to block the wheels of the government machinery ever since, in opposition to the will of himself and a handful of his colleagues, the Congress declared a state of war to exist between this country and Germany. No doubt he claims sincerity but sincerity ceases to be a virtue when it degenerates into mere pig-headed opposition to the will of the majority. We very much fear that the trouble with the Senator is, he is a poor loser.

We are told that "the kaiser has regarded it as his principal and most sacred task to preserve the blessings of peace." And as he seems to have a widely different conception from the balance of the world as to the brand of peace that should prevail, we suppose he considers it his sacred duty to exterminate all who differ with him.

It is stated that the Russian government is considering the feasibility of reducing the army. In this they are receiving the full co-operation of the kaiser and his forces.

ONION CROP LARGE.

Walkerton, Ind., Oct. 22—A central bureau of information for onion growers of Indiana, has been established here by the federal bureau of markets with N. L. Henry in charge. On account of the large amount of onions produced in the state this year, growers were in need of information regarding the markets and prices.

It is expected that this year's crop will exceed 1,100,000 bushels. About fifteen car loads are now being shipped from the onion regions daily.

Shelbyville—Imposters have been canvassing this city for Red Cross funds, according to word reaching officials.

TIED, NERVOUS HOUSEWIFE TOOK VINOL

Now She is Strong and Well

Berkeley, Cal.—"I was nervous, irritable, no appetite, could not sleep, and was always tired, so my housework was a great effort. After many other medicines had failed Vinol built me up and made me strong. I have a good appetite and sleep well. Every nervous, weak, ailing woman should try it."—Mrs. N. Edmunds, 2107 Dwight Way, Berkeley, Cal.

We ask every nervous, weak, run-down, ailing woman in this town to try this cod liver and iron tonic on our guarantee to return their money if it fails to help them.

F. B. JOHNSON & CO., Druggists, Rushville, Ind., at the best drug store in every town and city in the country.

All cars stop and will be met at Stop 26 on day of George W. Reeve's sale of Spotted Poland Pigs which will consist of 75 head of sows and males—Oct. 26th. Sale commences at 11 o'clock.

It Can't Be Overdone

BUY LIBERTY BONDS. TALK LIBERTY BONDS. SELL LIBERTY BONDS.

If you have Liberty Bonds, buy more until you feel the pinch, then go out and sell more to other good Americans.

The boys who are in training for our fight, are investing all they can in Liberty Bonds, thereby rendering a further service to us, as well as making the best investment possible.

Money invested in Liberty Bonds pays 4% net, beside it fulfils a duty which has the combined rewards of a good deed and a good investment. The Loan is America's War Answer to Treaties violated, rights denied, fiendish barbarism and threatened invasion.

We recommend them unreservedly as the best investment in the world today. Every Liberty Bond, with the end of the war, is sure to be held at a premium.

LIBERAL ARRANGEMENTS MAY BE MADE WITH US FOR DEFERRED PAYMENTS

Rushville National Bank

Second Liberty Loan

An Investment--Not a Gift!

\$1.00 per week buys a \$50.00 Bond in 50 weeks.

\$2.00 per week buys a \$100.00 Bond in 50 weeks.

We know that all of our people desire to assist and this plan is for their convenience. We buy the Bond and carry it for you until fully paid.

Put your dollars behind old Company B, the Sanitary Detachment and all of our other boys who have joined the Army and Navy. They are doing their bit; it is up to you to get behind them with your dollars.

WE ARE OPEN ON SATURDAY NIGHTS FROM 6 TO 8 TO RECEIVE THESE INSTALLMENTS.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

All cars stop and will be met at Stop 26 on day of George W. Reeve's sale of Spotted Polands which will consist of 75 head of sows and males—Oct. 26th. Sale commences at 11 o'clock. 18814

WANT ADS BRING RESULTS

INTEREST SHOWN IN COMING GAME

Indiana-Ohio State Contest Will Furnish Recreation for Men at Fort Harrison

PRACTICALLY ALL TO ATTEND

Arrangements Made For Them to Participate in Military Parade Date Is Nov. 3

(By United Press.)

Bloomington, Ind., Oct. 22.—The Indiana-Ohio football game to be played at Washington Park in Indianapolis on November 3 will prove the means of solving a perplexing problem that has been studied closely by patriotic business men of Indianapolis, who have been endeavoring since the country entered the European war to find some form of recreation that would be a source of delight to the thousands of men who are in training at Fort Benjamin Harrison.

No event in Indiana since the beginning of the war has created so much interest and enthusiasm among the men, who already are making arrangements to attend this contest, which promises to be the most important as well as the most spectacular game of football to be played in the middle west this year. This interest is not confined alone to the men, but the officers, even those in high command are looking forward to the game with unusual interest.

Orders for 500 tickets have been placed already by Indiana and Ohio men who are attending the officer's reserve training camp. When a committee of Indiana University alumni recently called at the fort to ascertain if it would meet with the approval of the superior officers to advertise the game there, they were greeted enthusiastically by the commanding officers who said that it would not be necessary to advertise the game. It was said that practically every man at the fort would witness the contest.

Arrangements now are being made to permit the soldiers and the men in training to participate in the festivities of the day, and it is now practically assured that a military parade will be staged on the gridiron during the afternoon.

COLORED MAN HELD

Eddie Hammond, colored, son of the pastor of the Second M. E. church was arrested today on request of Cincinnati police. He was arrested for the failure to support a minor child. He was placed in jail and Cincinnati police will be here after him.

La Porte—An imposter, representing himself as a government agent with power to confiscate foodstuffs, is at work in Laporte. He declares to housewives that the government ordered the confiscation of oversupply and distribution to the people who have no canned goods.

WATCH YOUR KIDNEYS

Inhaling the fumes of turpentine and white lead often weakens the kidneys. That's one reason why so many painters have had backs and sick kidneys. Exposure and frequent colds and chills help start the trouble.

If your back aches, if sharp pains strike you in the back when stooping, lifting or working; if you have headaches, dizziness, rheumatic pains; if the urine is discolored, or passages painful and scanty, try Doan's Kidney Pills, the remedy is widely used and so well recommended by men in the painting trade. Here's Rushville testimony:

Charley Walker, 1023 N. Arthur St., says: "I work where a lot of turpentine is used and the fumes got my kidneys out of order. My back gave me the most trouble and was achy and lame and stiff. The kidney secretions were too frequent in passage and highly colored. I decided to try Doan's Kidney Pills and got a box at Pitman & Wilson's Drug Store. They surely helped me and gave me quick relief. I have a lot of faith in Doan's Kidney Pills and shall use them again if I need a kidney medicine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Walker had. Foster-Milburn, Co., Mfgs., Buffalo, N. Y., (Adv.)

GOES TO NEWCASTLE PAPER

Allen C. Hiner Today Becomes City Editor of the Courier

Allen C. Hiner, city editor of the Daily Republican, today went to Newcastle to accept a similar position on the Newcastle Courier after more than seven years service on the Daily Republican. The new position he has offers great opportunities and his many friends here are glad to hear of his success. The war has made deep inroads on the Courier's staff. The man whose place Mr. Hiner will fill left today to join the quartermaster's corps of the army. Miss Frances Frazee, former society editor of the Republican, will become associated with the Republican again and Miss Katherine Hitt will remain on the editorial staff.

BRITISH AND FRENCH STRIKE

Satisfactory Progress Made After Artillery Preparation

(By United Press.)

London, Oct. 22.—French and British forces on co-operation early today struck on both sides of the Ypres-Sluden railway in a wide series of attacks, Field Marshall Haig reported. Satisfactory progress was made.

The French forces attacked on the left of the British and gained all objectives on a front of 1,000 yards. For five or six days British artillery has been exceedingly active in this section, indicating resumption of the allied offensive.

BOB FITZSIMMONS IS DEAD

Greatest Champion of All Times Takes the Last "Count"

(By United Press.)

Chicago, Oct. 22.—Bob Fitzsimmons has taken the last count. The greatest of modern champions succumbed to the champion of all times this morning. The "knockout" followed a fight of five days against pneumonia. Fitzsimmons' wife, who had been his chief second throughout his game battle, was at the "ringside" when the end came. She is in a serious condition herself following a nervous collapse.

HOME BOYS BAND WILL PLAY

Carthage Prepares For Big Patriotic Demonstration Tonight

The Soldiers and Sailors Orphans Home band will play for the patriotic demonstration at Carthage this evening at seven-thirty, it was announced late Saturday. Fred VanNuys will make the principal address at the meeting, which will be held in the interest of the Liberty Loan Bond campaign. The meeting will likely be held in the open air on the public square, but if the weather is not fit, it will take place in the town hall.

HAS U-BOAT DETECTOR

Invention is Submitted to Washington Officials

(By United Press.)

Denver, Oct. 22.—Lieut. William R. Russell, former chief of the wireless division of the Seventh N. Y. Infantry, now in the reserve, has perfected what he believes is the solution of the submarine problem. The device consists of a small mica tube containing a radio-active substance which projects electrical radiations and by selected rays reveals a submarine. Lieut. Russell has submitted his invention to Washington authorities for a test.

EXCEPTIONS TO REPORT

The time of the circuit court was occupied today by the hearing of the exceptions to the report of the administrator, Charles C. Foust, of the estate of his father, Charles Foust, Sr. The exceptions were filed by the daughter of the late Mr. Foust and sister of the administrator. The parties to the suit now live in Hancock county, but the estate was all settled in this county.

LOCAL MAN'S FATHER DIES

Dan Easley Expires at His Home in Crawfordsville Sunday

Dan Easley of Crawfordsville, father of Walter Easley, owner of the Princess theater, died at his home late yesterday, according to word received here today. Walter Easley was called to Crawfordsville Sunday by the serious illness of his father. Mr. Easley was well known here, having visited in Rushville frequently. The funeral will be held at the Crawfordville Baptist church tomorrow morning at eleven o'clock, conducted by the Rev. C. J. Bunnell, pastor of the First Baptist church, formerly of the Elwood Baptist church, where Mr. Easley at one time lived. Mr. Easley is survived by the widow and several children.

Farmers Trust Company

An interesting group of programs is in store for the members of the Shakespeare Club who hold their first meeting of the year this evening at the home of Miss Anna Bohannon in North Morgan street, with the Misses Nora and Mary Sleeth as assistant hostesses. The program this evening will consist of a paper on the life of Thomas Carlyle by Miss Jessie Kitchen; a review of "Heroes and Hero Worship," by Miss Lois Fritter; and a talk on "Sartor Resartus," by Mrs. Donald Smith. On October 29, Prof. William E. Jenkins of Indiana university will lecture before the club on Carlyle.

The plan of the meetings of the club will be carried out as it was last year with alternating programs by the club members and lectures by Prof. Jenkins. The writers who will be taken up at the meetings are: Carlyle, Ruskin, Browning, Tennyson, Dickens, and Mathew Arnold.

An enthusiastic start for the courses of eight lessons given by Miss Margaret Donnan of Indianapolis was made at the initial meeting for the winter at the home of Miss Henrietta Coleman in East Sixth street on Saturday afternoon. About twenty-five ladies joined the class and will enjoy the lectures on Russian writers and their works to be taken up by Miss Donnan. The leader was unusually interesting on Saturday dealing at length with the Gorkey autobiographies. In "My Childhood" a vivid picture of the childhood of the writer was drawn and "In the World" shows him at a more advanced age. Through his story of his life is shown Russia, and the atmosphere of the country as it bore upon the experiences of the writer.

Reviews of several more of Gorkey's books will be given at the next meeting which will be held at the home of Mrs. F. G. Hackleman.

A family reunion was held at the home of Mr. and Mrs. Harry Lucas of this city yesterday when the members of the family enjoyed a pitch-in dinner. Chrysanthemums were tastefully used as the floral decorations, for the table where the dinner was served. The guests were Mr. and Mrs. Ross Ogg and daughters, Kathleen and Josephine, Mr. and Mrs. William Rafferty and son Dale, of Greenfield, Mr. and Mrs. Jasper Kemper and two children, Mrs. Miss Louise Hogsett of this city, Mrs. Ogg and Mrs. Rafferty remained over to spend the day with Mrs. Chauncey Duncan, Mrs. Will Dill and other friends.

The children of Mr. and Mrs. J. R. Abernathy held a reunion at the home of Mr. and Mrs. Charles Abernathy, who live on the Shelton farm two miles southeast of Manilla, yesterday. A delightful day was enjoyed and a bountiful dinner spread at the noon hour. Those present were Mr. and Mrs. J. R. Abernathy, Mrs. Thomas Abernathy, Otis Abernathy, Mrs. Edith Clevenger and three children of this city, William Abernathy and Mr. and Mrs. O. W. Graham and three children of Indianapolis.

Mr. and Mrs. Levi Crull were pleasantly surprised yesterday when a number of relatives from Wayne county motored to their home here, bringing with them an elegant basket dinner. The guests were Mr. and Mrs. Roy Crull and family, Mr. and Mrs. George Crull and family, Mr. and Mrs. Will Wissler, Mr. and Mrs. Benton Wissler and family, Mr. and Mrs. Clyde Loveton, Mrs. Eliza Marlatt and son, Ammon Wissler, Mr. and Mrs. Robert Marlatt and family and Miss Gertrude Crull.

Mr. and Mrs. C. L. Fary honored their son, Gus, who celebrated his 15th birthday yesterday, with a dinner at their home in Falmouth. The dinner guests were Thelmer and Mildred White and Emelyn Brown and Margaret Smiley of Raleigh. During

the afternoon, about twenty of the schoolmates and friends of the guest of honor were invited in for an informal time together. The decorations, favors and dainty refreshments all carried out the Halloween idea.

Miss Letha Hungerford and Clarence Weidner were united in marriage Saturday afternoon at the parsonage of the St. Paul's M. E. church, with the Rev. C. H. Black performing the ceremony. The bridegroom is the son of James F. Weidner of the Flatrock neighborhood and the bride's parents are Mr. and Mrs. Alva Hungerford of the same section of the county. Mr. and Mrs. Weidner are to make their home on a farm southwest of the city.

A family reunion was held at the country home of Mr. and Mrs. Albert Denning west of the city yesterday. A pitch-in dinner was served at noon to the following guests: Mrs. Earl C. Smith of Delphi, Mr. and Mrs. Homer Havens, Mrs. Gertrude Smith, Dr. and Mrs. Will C. Smith and son, Conwell, and Mrs. George Hogsett.

Mr. and Mrs. O. M. Harton, Mr. and Mrs. Cliff Winship, Mr. and Mrs. Bert Davidson, Mr. and Mrs. Hubert Innis, Mr. and Mrs. Pearl Wamsley and Mr. and Mrs. Charles Winship formed a week-end motor party for a trip to Camp Taylor, Ky. They went in four machines Saturday and arrived home last night.

Mrs. Donald Alexander will entertain the members of the Psi Chi sorority with a luncheon and shower as a compliment to Mrs. Allen T. Blackledge, formerly Miss Inez Stager. The affair will be given Wednesday noon at the pretty country home of Mr. and Mrs. W. A. Alexander of the city.

A meeting of the teachers and officers of the St. Paul's M. E. Sunday school will be held Thursday evening at the church following the regular prayer meeting service. The fall rally will be discussed and a large attendance is desired.

Mr. and Mrs. Wilbur Wilson of North Sexton street entertained with a pitch-in supper last evening for Mr. and Mrs. Ot Talbert and Mr. and Mrs. Ralph Harold and daughter Maude Adeline, who motored here from Newcastle.

Mr. and Mrs. Phil Wilk announce the engagement of their daughter, Erema, to Miller Hamilton of South Bend, the wedding to take place early in November.

"AGGIE" WORKERS IN CONFERENCE

Twelfth Annual Session is Opened at Purdue—Seek Greater Production

W. E. STONE ONE OF SPEAKERS

(By United Press.)

Lafayette, Ind., Oct. 22.—The twelfth annual conference of Indiana extension agricultural workers opened at Purdue University today will continue until Friday. Means of obtaining increased production of grain and livestock in the state during the war, were the most important topics for discussion during the meeting.

W. E. Stone, president of Purdue, opened the meeting today with an address on "The Farmer and the Nation." He explained how the farmer was before the nation now in a more important position than ever before and for this reason, must bear increased responsibilities.

The work which Indiana is doing in the food conservation and production campaign was explained by Ralph W. Moss, chairman of the food production and conservation committee in an address on "Indiana's Place in the National Food Program."

G. I. Christie, in charge of the food production campaign in Indiana during the last season, told of the work which had been accomplished through farm agents under direction of the food workers.

A special program had been prepared for women attending the meetings. Miss Florence W. Ward of the United States department of agriculture, led discussions in the part women should take in county and city war work.

Days Pickings

St. Paul's Methodist church and Sunday school is arranging an honor roll of all the young men who have gone into their country's service from the homes of church or Sunday school members. The church is planning to keep in close touch with her soldier boys throughout the period of the war. Amos Baxter is in charge of this work, and parents and friends of soldier boys from the Methodist church or Sunday school are requested to report such names and addresses to him at once.

Local freight agents have been advised that the three per cent war tax will be applied to all unpaid freight bills on and after November 1, when the tax takes effect. All freight bills on and after that date likewise will be taxed three per cent.

L. C. Mosier, for seven years employed at the I. & C. car barns, here has been employed to take charge of the blacksmith department of the Northern Ohio Traction and Light company at Akron, Ohio. He left for Akron Sunday evening.

The body of Mrs. David E. Brown, mother of George Fleener of this city, who died last week was brought here yesterday from the late residence near Muncie and burial will take place in East Hill cemetery.

The funeral of Mrs. Margaret Chomel was held from her parents' home yesterday afternoon at 2:30. The Rev. Clyde S. Black of the Methodist church conducted the service.

Bert Ormes has appealed from the decision of mayor's court, where he was fined \$1 and costs September 24 for speeding, to the circuit court and the case will be set down for trial.

On account of the illness of the Rev. D. Ira Lambert, there were no regular church services at the First Presbyterian church yesterday morning and evening.

Ernest F. Mariatti has been promoted to the position of city editor on the Evening News of Kenosha, Wis., where he has been located for the past few months.

A marriage license was issued Saturday to Miss Leatha Hungerford and Clarence Weidner.

Remember that the heaviest hogs are the spotted Polands and a cross with any other good breed, come to Reeve's sale and see the offering—Oct. 26th; on I. & C. traction, stop 26. All cars will be met. 18814

HOOVER TO TALK AT DAIRY SHOW

Food Administrator Is Headliner at Meeting at Columbus, Ohio, Today

2,000 PRIZE CATTLE SHOWN

Carries Message of Food Production and Conservation—Held at Fair Grounds

(By United Press.)

Columbus, O., Oct. 22.—With 2000 prize cattle, horses and a vast amount of farm machinery on exhibition, the National Dairy Show, the largest agricultural exposition to be held in the United States this year is being held at the Ohio State Fair grounds here.

The show carries the message of food production and conservation. Dairymen and farmers are being told that the best animals are necessary to increase the production of dairy products and the way to use the products most economically is being pointed out to consumers.

Herbert Hoover was to address a mass meeting of the American Dairy Industry today. Following the meeting, the American Jersey Cattle Club the American Dairy Science Association and the International Milk Dealers Association will open conventions, and Jersey cattle will be judged.

A national marketing conference will be held tomorrow by the federal agricultural departments bureau of markets. Other conventions which are to be held during the show are the American Guernsey Cattle Club, the American Dairy Farmers Association and the Ohio Association of Creamery Owners and Managers on Oct. 23, and the Holstein-Friesian Association of America on October 24.

LOCAL PEOPLE ARE UNHURT

Missouri Car Crashes Into Rushville Machine at Connersville

Four Rushville persons escaped injury in Connersville Sunday when an automobile struck their machine at the corner of Third street and Central Avenue. Mr. and Mrs. E. L. Kennedy, Mrs. Emerson Hinchman and Mrs. Marshall Newhouse were in Kennedy's machine. The name of the driver of the other car was not learned because he drove his machine away before any opportunity was offered to make an inquiry. A pennant on the machine indicated that it was from Downing, Mo. The front axle and one fender of the Kennedy machine were bent and the Rushville people had to return home on a traction car.

POSTMASTER RESIGNS

Dan T. Geise, postmaster at Glenwood, has resigned and a civil service examination to fill the vacancy will be held here Saturday, November 24. The Glenwood office is in the fourth class and therefore under civil service.

TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Backsachy or Bladder troubles you—Salts is fine for Kidneys.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

A Hard Winter

Yes, you have heard it prophesied by the old timers that this winter is going to be a hard one.

YOU CAN DO YOUR BIT

and lessen your winter hardship by making the same clothing do this winter that you wore last. If it is a little shabby in appearance, a little soiled or mussed, don't let that worry you. After a trip to our dry cleaning, repairing, altering and pressing departments you will not recognize it.

NO MATTER WHAT THE GARMENT IS — Overcoat, Suit, Dress, Skirt or Waist—WE CAN DO IT.

DO YOU WANT PROTECTION?

THEN HELP PAY FOR IT

You Have Until October 27th to
Subscribe to the
SECOND LIBERTY LOAN
Of YOUR Government

When we start out to war with the ruthless militarism of Germany, we had better not start out empty handed. Every man, woman and child in the United States has a formidable enemy confronting him or her, a ruthless enemy whose path we have crossed, a trained, efficient, experienced, desperate and vastly powerful enemy. It is going to take every dollar we can spare to defeat this Dragon.

Any man who can pay as much as \$1.00 per week and does not buy a United States Bond of the Second Liberty Loan, is most surely a misguided if not undesirable citizen.

The honor and sovereignty of our country has been grossly violated and invaded, as will be the sancity of our homes if we DO NOT WIN THE WAR.

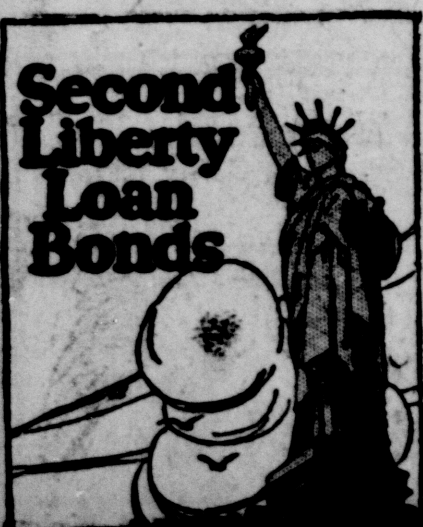

Are you DEPENDING on SOME ONE ELSE who has already bough Liberty Bonds to almost the limit of their ability, to lend more money to SAFEGUARD YOUR PROPERTY and PROTECT THE SANCTITY AND LIVES OF YOUR WIFE AND DAUGHTER, and preserve this glorious Free Republic?

There is but one business now and that business is War. Will you have a LIBERTY BOND which pays you 4 per cent interest, secured by the fertile soil and immense wealth of the whole United States, or will you have a TAX RECEIPT? It is for you to decide.

**Rush County Has Subscribed About 50%
of Her Second Liberty Loan Allottment**

**All That We Have and Are and Hope To Be
Is At Stake!**

*Will You be Marked as a Slacker,
and Possibly as One Who Was
Forced to Buy or Pay?*

County Council of Defense

DEMONSTRATION FOR BOND CAMPAIGN WILL BE HELD

RETURNED AIRMAN WILL SPEAK HERE

Lieut. R. T. Ross, Who Was Wounded While in French Aviation Corps, is Coming

OTHER MEETINGS ELSEWHERE

Patriotic Demonstrations Will be Held at Carthage, New Salem and Andersonville

A meeting to advance the Liberty Loan campaign in this county will be held in the Graham Annex auditorium Wednesday night at 7:30 o'clock and the main address will be made by Lieutenant Raymond T. Ross, son of Mr. and Mrs. Charles W. Ross of Crawfordsville, Ind., who has seen service in the French aviation corps and is home on a furlough because he was disabled.

A. L. Gary, chairman of the County Council of Defense, was instrumental in making arrangements to have Lieut. Ross speak here. There will also be an address regarding the Liberty Loan by an Indianapolis man. Wilbur Stiers, secretary of the Liberty Loan organization here, went to Indianapolis today and arranged for Frederick A. Watson to speak.

Wednesday was designated by President Wilson as Liberty Bond day and in addition to the meeting here, there will be a patriotic demonstration at New Salem on that date. The Carthage meeting will be addressed by Fred Van Nuys of Indianapolis this evening at 7:30 and Douglas Morris will speak in the afternoon at two o'clock at New Salem. Andersonville also has planned a meeting for Tuesday night and Judge Sparks will be the speaker.

On account of the diphtheria quarantine still being in force, all persons under twenty-one years of age will be barred from the meeting. The city health board was consulted and gave its approval of the plan to hold the meeting because it was announced. Watchers will be stationed at the door to see that none under age are admitted.

Lieut. Ross returned about a week ago bearing a hero's wounds which he received while flying over the German lines in an expedition under French colors. He was hit in the leg by shrapnel while flying at a height of about a mile and a quarter over Gorges, Germany, and was given a leave of absence to recuperate fully from the effects.

Lieutenant Ross left Crawfordsville on March 5 sailing for Bordeaux within a short time and landing there April 4. He immediately began intensive training for the aviation work at the largest school in the world for that purpose, situated at Avord, France. From this training he was graduated in July and qualified for the service. Upon his arrival at the front he was a member in several raids and during his stay at the front he has engaged in eleven such attacks. One of these was in the historic Verdun region. He saw six weeks' active service.

In the last of these attacks Lieut. Ross suffered the injury to his leg when bits of shrapnel wounded him. The wound has healed but the young aviator is still a trifle lame from the effects and is taking advantage of the dull times for aviation during the winter months by coming home on a leave of absence which extends until January 15.

On every occasion that he went into the clouds Lieutenant Ross re-

Should Not Be Lulled Into a False Security

American People Are Warned That They Will Have to Subscribe Heavily to Make Liberty Loan Success Because Only 40 Per Cent is Taken.

GERMAN LOAN IS SUBSCRIBED

(By United Press.)

Washington, Oct. 22.—The American people should not lull themselves into false sense of security over the Liberty Loan. They must subscribe heavily all week. This warning was sounded today by treasury officials, intent on putting across the bond issue by next Saturday night when the subscription books close. So far only about forty per cent of the total has been taken. Failure to support the loan to the utmost will give comfort to the enemy, the treasury pointed out, especially in view of Germany's success in floating a seventh loan of over \$3,000,000,000.

The treasury emphasized that its public figures on loan sales to date have represented exactly what district reports showed. There has been no lowering of totals to spur on workers. For that reason the nation must not regard the loan as a success until the last dollar is in Saturday.

turned with the aircraft which he piloted shot full of holes. The German anti-aircraft guns play a steady tattoo on the machines and in order to avoid serious disaster it is necessary for the pilots to be able to perform startling aeronautical acrobatics. In this department the local aviator has won a name for himself even among the experienced and seasoned flyers of many a campaign.

The aircraft which Lieut. Ross uses is a 240-horse power machine and is kept at an average height of a mile and a quarter from the ground when engaged in attacks. He likes the life of intense excitement and nervous strain extremely and is eager for the time when the spring will start more activities in the air against the Germans. He will remain in Crawfordsville at the home of his parents until time for him to report again to the French flying corps where he has so distinguished himself.

TO SUPERINTEND ERECTION

Will McGuire Will be Employed by Government on Aviation Fields

Will McGuire of Indianapolis, formerly of this city, now associated with the firm of architects, McGuire and Shook, has been commissioned an aviation mechanical engineer and will superintend the erection of government aviation fields. Mr. McGuire will not be a part of the military forces of the nation, but will retain his position in civil life. His new work will not take all of his time and will not interfere with the firm's business. Mr. McGuire has just returned from Washington where he was in conference about plans for some of the fields which are to be erected at once.

Gary—Five hundred and ten dollars and six months in prison was the sentence given Sam John for hitting a 17-year-old girl.

COUNTY IS NEAR HALF WAY POINT

Reports Today From Banks Show \$445,700 Subscribed to The Liberty Loan

BEGINNING OF FINAL WEEK

Statement From District Headquarters Reveals County Has Regained 4th Place

Rush county's Liberty Loan subscriptions reported by the banks today amounted to \$445,700. This is a little less than the county's maximum quota of \$944,000.

The final drive to make the county allotment was begun today because only a week remains since the campaign closes on Saturday.

The statement from the seventh federal reserve district headquarters today showed that Rush county had regained fourth place in the list of sixty-nine Indiana counties in the district. The last report placed the county in fifth place after having once been in fourth position.

Today's report from the banks, showing actual subscriptions up to Saturday night, reveals an increase of \$115,000 since the last report from them Friday. It shows that subscriptions are coming in faster than at first, but that the average daily subscription will have to be much larger if the county is to make its allotment by Saturday.

The county chairman today received a communication from district headquarters saying that the district is anxious to establish an honor roll of counties which have fully subscribed their quota on the \$5,000,000,000 basis. The county organization is going to work to that end during the next few days and hopes to be able to show the full allotment taken before Friday.

Another statement says that collectors of internal revenue will be authorized to accept in lieu of imposed by the war bill on floor stocks of whiskey, cigars, tobacco etc., Liberty Bonds equivalent to the actual amount of taxes due.

The final week of the campaign was given an auspicious start yesterday when every minister in the county preached a sermon in regard to the Second Liberty Loan. All congregations sang "The Star Spangled Banner," and all services were of a patriotic nature. Unusually large attendances were the rule all over the county, according to reports received today.

The statement from the federal reserve district headquarters covers reports received at Chicago up to the close of business last Thursday. At that time Rush county had subscribed 31.2 per cent of her maximum quota. The subscriptions, the reports received at that time showed, amounted to \$223,100 and the number was 434.

Newton county, wrested the lead in the state from Dearborn by making a big increase in this report. She has subscribed 58 per cent of her quota, whereas Dearborn's percentage is only 49.7. Fayette county is third with 32.2 per cent, which is only slightly larger than Rush. Wayne county, which went ahead of Rush in the last report, fell behind in today's report showing a percentage of only 30.7.

Mr. and Mrs. S. A. Riley are moving from the Thomas farm near Homer to the Andrew Kincaid farm in Richland township.

SHOULD AVERAGE \$14,987

Collections on Fall Tax Installment to Date \$87,053.19

To collect all of the fall installment of taxes by the first Monday in November, which is the last day for taxpayers to pay without being assessed a penalty, the county treasurer's office must receive an average daily of \$14,987, it was announced at the treasurer's office today. Collections Saturday amounted to \$17,863.76, bringing the total collections on the fall installment to date up to \$87,053.19. The balance to be collected amounts to \$179,946.81.

QUARANTINE BAN STILL IN EFFECT

Restrictions on Public Meetings Continued As 2 New Cases of Diphtheria Are Found

SCHOOLS ARE NOT REOPENED

Because two new cases of diphtheria have developed since Saturday, the health board has rescinded its order lifting the quarantine. As a result, the city schools were not opened today as planned and the same restrictions regarding all public gatherings are still in force. A child of Mrs. Nellie Marts and the son of Mr. and Mrs. John Ganther both have been found to be suffering with the disease. A case was reported Saturday morning, making three cases in as many days.

The schools will be closed at least another week and longer if it is necessary to stamp out the epidemic. The city health board today appealed to parents to co-operate by keeping their children off the streets and from gathering in crowds for play. The health board pointed out that this was necessary to stop the epidemic because it had been found that closing the schools did not prevent the spread of the disease.

Red Cross headquarters will remain closed until the quarantine is lifted. Sunday school was held yesterday, but the attendance was small.

FUEL COMMITTEE FOR COUNTY IS APPOINTED

Is Given Power to Act at Once and May Open Fuel Yards If It Becomes Necessary

HOPE TO PREVENT SUFFERING

A fuel committee, consisting of Samuel L. Trabue, chairman; James V. Young and Arch Bogue, was appointed at the meeting of the County Council of Defense late Saturday. The committee is given the power to act immediately and in an emergency, to open fuel yards if necessary in order to relieve the situation. The committee will have the power to do all possible to prevent suffering in the locality from lack of fuel during the cold weather and will take up the problem immediately.

One solution to the problem is suggested by the Council of Defense is using all down timber and tops of trees for fuel. Anyone having such timber who will give it away for the cutting, is asked to notify either a member of the committee or A. L. Gary, chairman of the Council.

SERBS ARE STARVING

Rome, Oct. 22.—Fifty thousand Serbs are starving and sixty thousand are dying on account of starvation rations in the Monastir district alone, according to the reports of the American Red Cross mission which was received here today.

DISCUSSES LOAN AT THEM. E. CHURCH

Senator James E. Watson Makes Short Talk Following Sunday Morning Service

ATROCITIES NOT HALF TOLD

Says Subscribing to Loan is Not Only Patriotic Duty But is Necessary to Win War

Senator James E. Watson made a short talk at St. Paul's M. E. church yesterday morning following the sermon by the Rev. C. H. Black on the Liberty Loan. In showing the grave necessity of subscribing for the Liberty Loan he said:

"There is no doubt in the world that Germany would have whipped the Allies had the United States not come to their rescue with men and money. Having whipped them, her plan was next to come to the United States. It is our choice to bring Germany to her knees now or whip her alone. It is an unfortunate circumstance, but it is here and we must face it."

Senator Watson referred to the stories of the German atrocities and said that he thought they had been "cooked up" to inflame the United States citizens.

"I have taken a great deal of pains," he said, "to inquire of people who have come to the capital and have been in the war zone concerning these stories, and they are not half told."

By dwelling upon the seriousness of the situation, Senator Watson showed that it was imperative not only as a patriotic duty for people to do their share in subscribing for the Liberty Loan, but that it was necessary in order that we win the war and protect, clothe and feed our soldiers at the front who have to face the country who is performing such deeds in warfare.

"This country has not even started to sacrifice," said the Senator in closing, "and if we learn from his struggle how to sacrifice, the lesson of unselfishness, the struggle will not have been in vain."

Senator Watson left early yesterday evening to continue his speaking tour. He goes to Topeka, Kan., Kansas City, Louisville, Ky., and Pittsburgh among other places. He said that he had spoken every evening and almost every afternoon for the past two weeks.

BIDS SUBMITTED ON NEW HEATING PLANT

County Commissioners Had Not Awarded Contract Late Today—Second Attempt.

THREE ON GENERAL CONTRACT

The county commissioners were busy late this afternoon considering bids submitted on the proposed new heating plant to be installed in the basement of the court house. Three bids on the general contract were submitted by the State Construction company, Morris Winship of this city, and William Everley. Beale Brothers of this city submitted a bid of \$6,235 on the plumbing work and E. A. Strrong and Sons, \$6,450.

The commissioners were interviewing the bidders one at a time this afternoon in attempting to arrive at a decision as to whom should be given the contract.

Bids were submitted a month ago, but all were above the appropriation and the board readvertised for bids. It was said that bids made today were inside the estimate.

Hammond — Restaurants and hotels of Hammond have made arrangements to specialize on fish dinners and take other food conservation steps.

CITY SOUTH AIR ROUTE BOUNDARY

Zone For Aviators to be Established, Center of Which Will be National Road

LETTER FROM CARL FISHER

Mayor is Advised of Plans and Asked to Have Representative at Light Display

A letter from Carl G. Fisher of Indianapolis reveals that the signal lights which may be erected here for student aviators flying between Wright field near Fairfield, Ohio and Raintoul, Ill., where there is school for flyers, will not be along a regular route to be followed by the aviators, but will be the south boundary of a so-called "zone," the center of which will be the National Road.

The letter was written to Mayor Bebout to urge him to see that a representative of Rushville was at the demonstration at the Speedway tomorrow night, when a number of sample lights will be exhibited, and to convey to him the information that the cities in which the lights are situated will be expected to bear the expense.

Mayor C. L. Bebout and several members of the city council expect to attend the meeting. The fact that the city officials are interested enough in the project to go to the demonstration indicates that something may be done here in regard to installing the lights.

The route to be established will be along the National Road via the Speedway and thence to Raintoul by way of Brownstown, Jamestown, Crawfordsville, Waynetown, Veedsburg and Covington, Ind.; Danville and Champaign, Ill.

Representatives from all these cities as well as those along the National Road have promised to send representatives to the demonstration. The demonstration is for the purpose of informing all cities regarding the character of the lights and the method of their operation.

"This is a war measure," says the letter, "and one that is highly important in the training of aviators from whose services we expect wonderful results in the winning of this war. The expense it places upon each town is nominal, and Mr. Fisher's committee trusts that they may have your hearty co-operation and that you will arrange for a representative to be at the Speedway Tuesday evening at eight o'clock for a demonstration."

The representatives of the various cities will meet at the Fisher Automobile company, 400 North Capitol Avenue at seven o'clock and be taken to the Speedway in automobiles. It is explained that it is the plan to establish in towns north of the route, at intervals of about twenty miles, three lights pointing to south, and in towns south of the main route, two lights pointing to the north. This is done, it is explained, so that "the men who are flying at night may not lose their way and go beyond the vision of the lights."

These lights can be provided at a cost of \$18.50 each, which includes the globes. The mounting and wiring would cost about \$40 additional, according to Mr. Fisher's figures. This would make the cost of the three-lights outfit about \$85 f. o. b. Indianapolis. The cost of operation is very small, the letter states, as the charge for current on the basis of ten-hour service each night would not exceed seventy-five or eighty cents a month.

WEATHER FOR WEEK

Washington, October 22.—Cool weather, probably without rain of consequence, is indicated for the beginning of the week. The temperature will rise slowly after Tuesday and it will be warmer and fair at the end of the week.

RUSHVILLE MAN RECOVERS PURSE

With Aid of Connorsville Police He
Obtains Money Taken Off an
I. & C. Car

BELONGED TO HIS COUSIN

Connorsville, Ind., October 22.—
Late Friday afternoon John McCoy,
of Rushville, entered the police
headquarters and asked for Chief
of Police Gillespie. Mr. McCoy was
in search of a pocketbook, which his
cousin, Mrs. Eva Cressinger, had
left on a traction car, Thursday eve-
ning. With him was the conductor
of the car and another man from
Rushville, who was a passenger on
the car.

He told Chief Gillespie, that a
woman from Connorsville, when asked
by the conductor if a certain
pocketbook lying on a seat was hers,
had replied that it was. The pocket-
book itself was valued at ten dol-
lars. It contained fifty dollars in
money, a gold watch and a pair of
nose glasses. In all, the loss was
about one hundred dollars. He des-

cribed the lady to Chief Gillespie
who sent Officer McKenna to the
home of a woman he suspected. The
purse was recovered.

Wire Brevities

Indianapolis, Ind., Oct. 22.—Rep-
resentatives of the Indiana Coal
Merchants association today assur-
ed Evans Woollen, new federal coal
and fuel director for Indiana, they
would co-operate. Horace Herr was
named as publicity director for the
state coal administration and took
up his work today.

Anderson, Ind., Oct. 22.—A dem-
onstration of casting ballots was
given at today's session of the Indi-
ana W. C. T. U. convention. The re-
port of the department superintend-
ent was read. The 24 delegates to
the national convention and the next
meeting place was to be chosen this
afternoon. Richmond will probably
be selected for the next meeting.

Fort Harrison, Ind.—Orders were
received here today which will make
this army post practically vacant
after Dec. 1 unless additional troops
arrive. The 45th, 46th and 10th reg-
iments of United States infantry
have been ordered to leave.

Washington, Oct. 22.—Four thous-
and persons were killed and 6,000
wounded in Steffeld, Austria's great
arsenal, in a series of explosions,
according to official Rome cables
here today.

Washington, Oct. 22.—Appeals in
behalf of Samuel Perrott, former po-
lice chief, convicted of election
frauds in Indianapolis, were made to
President Wilson today by a delega-
tion headed by George Marrott.

Indianapolis, Ind., Oct. 22.—Yeg-
men today blew the safe of the Indi-
anapolis Insurance Co., here and
procured \$500 in cash and jewelry of
considerable value.

London, Oct. 22.—People of Eng-
land are not in sympathy with the
war," Kemp Brown of London, dele-
gate to the National Five-year meet-
ing of Friends stated today in ad-
dressing the meeting. He declared
that 90 per cent of England's sol-
diers were for peace at any price.
Delegates today raised \$33,000 in
twenty minutes for the extension of
the meeting.

Washington, Oct. 22.—Condol-
ences were sent today by President
Wilson, Vice President Marshall and
Senator LaFollette to relatives of
Senator Paul O. Hastings of Wis-
consin, killed while duck hunting.
Hastings was particularly in the
favor of the administration because
of the support he has given war
policies.

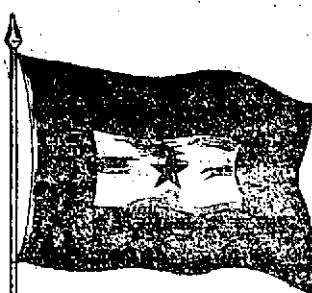

Terre Haute, Ind., Oct. 22.—Un-
ion officials said today that all
miners who have struck because of
refusal of operators to raise wages
until the federal fuel administration
had effected an agreement, had re-
turned to work.

GERMAN PLANES RIDDLED

(By United Press.)

London, Oct. 22.—Six German
aeroplanes were brought down yes-
terday during a British naval raid
on British airdromes, an admiralty
statement announced today.

ADDITIONAL SOCIETY

Honoring the forty-eighth birthday of Elmer Kiser of Spiceland and Elsworth Kiser of Sexton, Mr. and Mrs. Carroll Clifton of Gings gave a family dinner Sunday. Covers were laid for Mr. and Mrs. Elsworth Kiser, Mr. and Mrs. Elmer Kiser, Mr. and Mrs. Elmer Porter, Mr. and Mrs. Orville Porter and son, Mr. and Mrs. Ollie Boyd of New-castle, Mr. and Mrs. Carroll Clifton and Miss Flossie and William Kiser.

Mrs. John Alexander entertained at dinner, Sunday, at her country home southwest of this city when the guests were Mr. and Mrs. Will Lockridge, Mrs. Mary E. Beale, Mr. and Mrs. Chase Mopre, Mr. and Mrs. Fred Lockridge and Frank Lockridge. Pretty autumn flowers adorned the attractive table, where the course dinner was served.

The teachers of the Havens school, including the Misses Mae Meredith, Belle Forsythe, Georgia Morris, Ruth Spivey and Miss Elizabeth Waite pleasantly surprised Miss Anna Geraghty, at her home in West Second street Saturday evening. After a very enjoyable time was spent an elegant two-course luncheon was served.

Mr. and Mrs. John Hittle entertained at a prettily appointed dinner yesterday at their home in Falmouth, Mr. and Mrs. Robert Longfellow, Mr. and Mrs. Will McMillin and Mr. and Mrs. Herschell Rose.

The members of the Ladies Aid society of the Christian church will have the regular meeting tomorrow afternoon in the parlors of the church. A full attendance is desired.

Miss Esther Black will entertain the members of the Tri Kappa sorority at her home at 533 North Jackson street this evening.

Miss Mary Ames will entertain the members of her Bridge club tomorrow afternoon at her home in North Perkins street.

Mr. and Mrs. Floyd Hogsett entertained J. W. Hogsett and Miss Nancy Hogsett at dinner yesterday noon.

GOVERNMENT TAKES HAND
Will Prosecute Those Who Interfere With Coal Miners.

(By United Press.)
Indianapolis, Ind., Oct. 22—Federal officials today started an investigation into the attempt of strike agitators to interfere with the coal miners of Indiana. The United States district attorney made public a telegram he sent to local authorities in southern Indiana. He asked them to report to his office names of all persons interfering with coal miners working. He promised prosecution if any evidence was submitted.

—Miss Dorothy Thomas, who recently accepted an advertising position in Indianapolis, spent Sunday with her parents, Mr. and Mrs. E. B. Thomas of North Morgan street.

Liberty Bond Facts

1. Are U. S. Government Bonds.
2. Bear 4 per cent interest.
3. Exempt from normal tax.
4. Sold on installments. \$2 down on each \$100 of bonds purchased; \$18 15, 1917; \$40 Jan 15, 1918.
5. Convertible if later bonds bear higher interest rate.
6. Mature Nov. 15, 1942 but may be redeemed by Government on and after Nov. 15, 1927.
7. Are transferable and can readily be converted into cash at any time.

Lloyd - George Reports Submarine Loss in 10 Months is New Record.

(By United Press.)
London, Oct. 22.—The submarines lost in 10 months by the enemy total more than twice the number destroyed during the whole of the past year, Lloyd-George announced this afternoon. He said that England had increased her ship building more than four fold. The audience cheered wildly when the premier declared "this country has determined to prosecute the war to the very last."

Questions
that are frequently asked about

The Aeolian Vocalion PHONOGRAPH

Do you have to change the needles?
No, you do not. That is, if you are content to play one brand of records exclusively.

Does it play any record?
Yes, it plays any disc record that is made, and plays it well.

Do you have to stop it?
No, it stops automatically.

Do you have to muffle it to obtain the soft tones
No, it is provided with what is known as the Graduela, with which you may grade the tone to suit your fancies.

PRICES
Stock Style \$35.00 to \$350.00
Art Style to \$2,000.00

We will make equitable allowances on other makes of instruments taken in exchange.

Let us put one of these Instruments in your home for a few days, so that you may see the real pleasure of playing an Aeolian Vocalion. After having played one of these wonderful instruments, you will never be satisfied with anything else, and they cost no more.

Backache

In spite of the best care one takes of oneself, any part of the human machine is liable to become out of order. The most important organs are the stomach, heart and kidneys.

The kidneys are the scavengers and they work day and night in separating the poisons from the blood. It is only reasonable to believe that they are liable to derangement. Their signals of distress however, are easily recognized and include such symptoms as backache, depressions, drowsiness, irritability, headaches, dizziness, rheumatic twinges, dropsy, gout.

"The very best way to restore the kidneys to their normal state of health," says Dr. Pierce, of Buffalo, N. Y., "is to drink plenty of pure water and obtain from your favorite pharmacy a small amount of Anuric (double strength), which is dispensed by most every druggist. Anuric is inexpensive and should be taken before meals. You will find Anuric more potent than lithia, dissolving uric acid almost as water does sugar.

NEWS OF SOUTH BEND.

South Bend, Ind.—"When I began taking Dr. Pierce's Golden Medical Discovery and Favorite Prescription I was suffering from stomach trouble, constipation, and woman's weakness. The 'Golden Medical Discovery' had been a favorite remedy for coughs with my mother. I used the two remedies off and on for nearly a year. I was relieved of the womanly trouble, and the stomach trouble improved under this treatment. The 'Pleasant Pellets' have also been used with the greatest benefit."—Mrs. JOHN SHAPLEY, 613 S. Fellow St.

Pleasant Pellets regulate stomach, liver and bowels. All druggists.

Forefall Tax Increase

Two things are certain in this world—death and taxes. Invest in Liberty bonds and help forestall an increase in our national taxes.

If you are a farmer consider the following:

Bankers, financiers and others who handle money for other people always look carefully to see that a portion of their resources is invested in securities that are absolutely safe and sound, and that another portion is liquid, readily convertible into cash.

Observance of this rule is equally beneficial to the individual, community or nation, and investment in Liberty loan bonds will give to this section of the country financial resources at once permanent, liquid, sound and stable, in no wise dependent upon crop conditions or other local uncertainties.

The rate of interest—4 per cent—is not so great a return on your money as you can make on other investments in this part of the country. But there are other considerations to be weighed. In the first place, there is loyalty to your government, to your country.

But weigh the question from the purely material side. The surest thing about the future is its uncertainty. What of the business conditions that are to follow this great war? With the resumption of world commerce will come the fiercest of competition, a revolutionary readjustment of values. In some places, a stagnation of business; in others, great prosperity.

Under these conditions—the certainty of uncertainty—it is well to have a goodly amount of capital invested in an absolutely safe and sound security. If times are hard and taxes high, what better than an assured income? It would be of inestimable value—not only to the individual bondholder, but to the business community at large.

Such a security is the second issue of Liberty bonds, now offered by the government. It is not only your privilege to invest in them—a privilege that should not be overlooked, but it is your duty to do so that you may do your part toward insuring a stability to your community when the uncertain days of the "after the war" period are upon us. It will be a heritage to yourself and your children; it will declare to the world your patriotism to your country in its time of need and will aid in overcoming the enemy.

Organized Labor

It is a matter of keen reproach to the ranks of organized labor that strikes and disturbances of all kinds should be rife just at this time when the nation needs that we should be

one as we never before have been. Doubtless there are causes a-plenty for strife—in ordinary times and under ordinary conditions. At present, and under the conditions that face this country, it would seem that, while the world is called upon for sacrifices in all the relations of life, labor might consent to bear patiently a few injustices, especially if to remedy those injustices the safety of the country is to be jeopardized. Everything that takes from the perfect unity of this country, militates against the great undertaking that we have entered upon. Now, when the country needs every ounce of its strength, is a poor time to settle labor disputes, especially if the settlement involves contention and strife. If there is not sufficient patriotism and loyalty among the employers to grant merited rights, then labor should prove itself the better patriot in bearing with injustice until our country is safe from the dangers that threaten.

Senator LaFollette

"Treason" is an ugly word. As applied to Senator LaFollette it may or may not be rightly used—only the senator's own heart can answer that. But of one thing a large majority of his countrymen are morally certain, if not positively disloyal, the senator is to say the least very imprudent. Unless his personal life and actions can effectually give the lie to his accusers, he would seem to be in a most unenviable light before the country. He has systematically labored to block the wheels of the government machinery ever since, in opposition to the will of himself and a handful of his colleagues, the Congress declared a state of war to exist between this country and Germany. No doubt he claims sincerity but sincerity ceases to be a virtue when it degenerates into mere pig-headed opposition to the will of the majority. We very much fear that the trouble with the Senator is, he is a poor loser.

We are told that "the kaiser has regarded it as his principal and most sacred task to preserve the blessings of peace." And as he seems to have a widely different conception from the balance of the world as to the brand of peace that should prevail, we suppose he considers it his sacred duty to exterminate all who differ with him.

It is stated that the Russian government is considering the feasibility of reducing the army. In this they are receiving the full co-operation of the kaiser and his forces.

ONION CROP LARGE.

Walkerton, Ind., Oct. 22—A central bureau of information for onion growers of Indiana, has been established here by the federal bureau of markets with N. L. Henry in charge. On account of the large amount of onions produced in the state this year, growers were in need of information regarding the markets and prices.

It is expected that this year's crop will exceed 1,100,000 bushels. About fifteen car loads are now being shipped from the onion regions daily.

Shelbyville—Imposters have been canvassing this city for Red Cross funds, according to word reaching officials.

**TIRED, NERVOUS
HOUSEWIFE
TOOK VINOL**

Now She is Strong and Well

Berkeley, Cal.—"I was nervous, irritable, no appetite, could not sleep, and was always tired, so my housework was a great effort. After many other medicines had failed Vinol built me up and made me strong. I have a good appetite and sleep well. Every nervous, weak, ailing woman should try it."—Mrs. N. Edmunds, 2107 Dwight Way, Berkeley, Cal.

We ask every nervous, weak, run-down, ailing woman in this town to try this cod liver and iron tonic on our guarantee to return their money if it fails to help them.

It Can't Be Overdone

BUY LIBERTY BONDS. TALK LIBERTY BONDS. SELL LIBERTY BONDS.

If you have Liberty Bonds, buy more until you feel the pinch, then go out and sell more to other good Americans.

The boys who are in training for our fight, are investing all they can in Liberty Bonds, thereby rendering a further service to us, as well as making the best investment possible.

Money invested in Liberty Bonds pays 4% net, beside it fulfils a duty which has the combined rewards of a good deed and a good investment. The Loan is America's War Answer to Treaties violated, rights denied, fiendish barbarism and threatened invasion.

We recommend them unreservedly as the best investment in the world today. Every Liberty Bond, with the end of the war, is sure to be held at a premium.

LIBERAL ARRANGEMENTS MAY BE MADE WITH US FOR DEFERRED PAYMENTS

Rushville National Bank

Second Liberty Loan

An Investment--Not a Gift!

\$1.00 per week buys a \$50.00 Bond in 50 weeks.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets. Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects. They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

All cars stop and will be met at Stop 26 on day of George W. Reeve's sale of Spotted Polands which will consist of 75 head of sows and males—Oct. 26th. Sale commences at 11 o'clock. 18844

WANT ADS BRING RESULTS

INTEREST SHOWN IN COMING GAME

Indiana-Ohio State Contest Will Furnish Recreation for Men at Fort Harrison

PRACTICALLY ALL TO ATTEND

Arrangements Made For Them to Participate in Military Parade Date Is Nov. 3

(By United Press.)
Bloomington, Ind., Oct. 22.—The Indiana-Ohio football game to be played at Washington Park in Indianapolis on November 3 will prove the means of solving a perplexing problem that has been studied closely by patriotic business men of Indianapolis, who have been endeavoring since the country entered the European war to find some form of recreation that would be a source of delight to the thousands of men who are in training at Fort Benjamin Harrison.

No event in Indiana since the beginning of the war has created so much interest and enthusiasm among the men, who already are making arrangements to attend this contest, which promises to be the most important as well as the most spectacular game of football to be played in the middle west this year. This interest is not confined alone to the men, but the officers, even those in high command are looking forward to the game with unusual interest.

Orders for 500 tickets have been placed already by Indian and Ohio men who are attending the officer's reserve training camp. When a committee of Indiana University alumni recently called at the fort to ascertain if it would meet with the approval of the superior officers to advertise the game there, they were greeted enthusiastically by the commanding officers who said that it would not be necessary to advertise the game. It was said that practically every man at the fort would witness the contest.

Arrangements now are being made to permit the soldiers and the men in training to participate in the festivities of the day, and it is now practically assured that a military parade will be staged on the gridiron during the afternoon.

COLOR MAN HELD

Eddie Hammond, colored, son of the pastor of the Second M. E. church was arrested today on request of Cincinnati police. He was arrested for the failure to support a minor child. He was placed in jail and Cincinnati police will be here after him.

La Porte—An imposter, representing himself as a government agent with power to confiscate foodstuffs, is at work in La Porte. He declares to housewives that the government ordered the confiscation of oversupply and distribution to the people who have no canned goods.

WATCH YOUR KIDNEYS

Inhalant the fumes of turpentine and white lead often weakens the kidneys. That's one reason why so many painters have bad backs and sick kidneys. Exposure and frequent colds and chills help start the trouble.

If your back aches, if sharp pains strike you in the back when stooping, lifting or working; if you have headaches, dizziness, rheumatic pains; if the urine is discolored, or passages painful and scanty, try Doan's Kidney Pills, the remedy is widely used and so well recommended by men in the painting trade. Here's Rushville testimony:

Charley Walker, 1023 N. Arthur St., says: "I work where a lot of turpentine is used and the fumes got my kidneys out of order. My back gave me the most trouble and was aching and lame and stiff. The kidney secretions were too frequent in passage and highly colored. I decided to try Doan's Kidney Pills and got a box at Pitman & Wilson's Drug Store. They surely helped me and gave me quick relief. I have a lot of faith in Doan's Kidney Pills and shall use them again if I need a kidney medicine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills, the same that Mr. Walker had. Foster-McBurn, Co., Mfrs., Buffalo, N. Y. (Adv.)

GOES TO NEWCASTLE PAPER

Allen C. Hiner Today Becomes City Editor of the Courier

Allen C. Hiner, city editor of the Daily Republican, today went to Newcastle to accept a similar position on the Newcastle Courier after more than seven years service on the Daily Republican. The new position he has offers great opportunities and his many friends here are glad to hear of his success. The war has made deep inroads on the Courier's staff. The man whose place Mr. Hiner will fill left today to join the quartermaster's corps of the army. Miss Frances Frazee, former society editor of the Republican, will become associated with the Republican again and Miss Katherine Hitt will remain on the editorial staff.

BRITISH AND FRENCH STRIKE

Satisfactory Progress Made After Artillery Preparation

(By United Press.)
London, Oct. 22.—French and British forces on co-operation early today struck on both sides of the Ypres-Sluden railway in a wide series of attacks, Field Marshall Haig reported. Satisfactory progress was made.

The French forces attacked on the left of the British and gained all objectives on a front of 1,000 yards. For five or six days British artillery has been exceedingly active in this section, indicating resumption of the allied offensive.

BOB FITZSIMMONS IS DEAD

Greatest Champion of All Times Takes the Last "Count"

(By United Press.)
Chicago, Oct. 22.—Bob Fitzsimmons has taken the last count. The greatest of modern champions succumbed to the champion of all times this morning. The "knockout" followed a fight of five days against pneumonia. Fitzsimmons's wife, who had been his chief second throughout his game battle, was at the "ringside" when the end came. She is in a serious condition herself following a nervous collapse.

HOME BOYS BAND WILL PLAY

Carthage Prepares For Big Patriotic Demonstration Tonight

The Soldiers and Sailors Orphans Home band will play for the patriotic demonstration at Carthage this evening at seven-thirty, it was announced late Saturday. Fred VanNuys will make the principal address at the meeting, which will be held in the interest of the Liberty Loan Bond campaign. The meeting will likely be held in the open air on the public square, but if the weather is not fit, it will take place in the town hall.

HAS U-BOAT DETECTOR

Invention is Submitted to Washington Officials

(By United Press.)
Denver, Oct. 22.—Lieut. William R. Russell, former chief of the wireless division of the Seventh N. Y. Infantry, now in the reserve, has perfected what he believes is the solution of the submarine problem. The device consists of a small mica tube containing a radio-active substance which projects electrical radiations and by selected rays reveals a submarine. Lieut. Russell has submitted his invention to Washington authorities for a test.

EXCEPTIONS TO REPORT

The time of the circuit court was occupied today by the hearing of the exceptions to the report of the administrator, Charles C. Foust, of the estate of his father, Charles Foust, Sr. The exceptions were filed by the daughter of the late Mr. Foust and sister of the administrator. The parties to the suit now live in Hancock county, but the estate was all settled in this county.

LOCAL MAN'S FATHER DIES

Dan Easley Expires at His Home in Crawfordsville Sunday

Dan Easley of Crawfordsville, father of Walter Easley, owner of the Princess theater, died at his home late yesterday, according to word received here today. Walter Easley was called to Crawfordsville Sunday by the serious illness of his father. Mr. Easley was well known here, having visited in Rushville frequently. The funeral will be held at the Crawfordsville Baptist church tomorrow morning at eleven o'clock, conducted by the Rev. C. J. Bunnell, pastor of the First Baptist church, formerly of the Elwood Baptist church, where Mr. Easley at one time lived. Mr. Easley is survived by the widow and several children.

An interesting group of programs is in store for the members of the Shakespeare Club who hold their first meeting of the year this evening at the home of Miss Anna Bohannon in North Morgan street, with the Misses Nora and Mary Sleeth as assistant hostesses. The program this evening will consist of a paper on the life of Thomas Carlyle by Miss Jessie Kitchen; a review of "Heroes and Hero Worship," by Miss Lois Fritter; and a talk on "Sartor Resartus," by Mrs. Donald Smith. On October 29, Prof. William E. Jenkins of Indiana university will lecture before the club on Carlyle.

The plan of the meetings of the club will be carried out as it was last year with alternating programs by the club members and lectures by Prof. Jenkins. The writers who will be taken up at the meetings are: Carlyle, Ruskin, Browning, Tennyson, Dickens, and Matthew Arnold.

An enthusiastic start for the courses of eight elssons given by Miss Margaret Doman of Indianapolis was made at the initial meeting for the winter at the home of Miss Henrietta Coleman in East Sixth street on Saturday afternoon. About twenty-five ladies joined the class and will enjoy the lectures on Russian writers and their works to be taken up by Miss Doman. The leader was unusually interesting on Saturday dealing at length with the Gorkey autobiographies. In "My Childhood" a vivid picture of the childhood of the writer was drawn and "In the World" shows him at a more advanced age. Through his story of his life is shown Russia, and the atmosphere of the country as it bore upon the experiences of the writer.

Reviews of several more of Gorkey's books will be given at the next meeting which will be held at the home of Mrs. F. G. Hackleman.

A family reunion was held at the home of Mr. and Mrs. Harry Lucas of this city yesterday when the members of the family enjoyed a pitch-in dinner. Chrysanthemums were tastefully used as the floral decorations, for the table where the dinner was served. The guests were Mr. and Mrs. Ross Ogg and daughters, Kathleen and Josephine, Mr. and Mrs. William Rafferty and son Dale, of Greenfield, Mr. and Mrs. Jasper Kemper and two children, Mrs. Miss Louise Hogsett of this city, Mrs. Ogg and Mrs. Rafferty remained over to spend the day with Mrs. Chauncey Duncan, Mrs. Will Dill and other friends.

The children of Mr. and Mrs. J. R. Abernathy held a reunion at the home of Mr. and Mrs. Charles Abernathy, who live on the Shelton farm two miles southeast of Manilla, yesterday. A delightful day was enjoyed and a bountiful dinner spread at the noon hour. Those present were Mr. and Mrs. J. R. Abernathy, Mrs. Thomas Abernathy, Otis Abernathy, Mrs. Edith Clevenger and three children of this city, William Abernathy and Mr. and Mrs. O. W. Graham and three children of Indianapolis.

Mr. and Mrs. Levi Crull were pleasantly surprised yesterday when a number of relatives from Wayne county motored to their home here, bringing with them an elegant basket dinner. The guests were Mr. and Mrs. Roy Crull and family, Mr. and Mrs. George Crull and family, Mr. and Mrs. Will Wissler, Mr. and Mrs. Benton Wissler and family, Mr. and Mrs. Clyde Loveton, Mrs. Eliza Marlatt and son, Ammon Wissler, Mr. and Mrs. Robert Marlatt and family and Miss Gertrude Crull.

Mr. and Mrs. C. L. Fary honored their son, Gus, who celebrated his 15th birthday yesterday, with a dinner at their home in Falmouth. The dinner guests were Thelmer and Mildred White and Emelyn Brown and Margaret Smiley of Raleigh. During

the afternoon, about twenty of the schoolmates and friends of the guest of honor were invited in for an informal time together. The decorations, favors and dainty refreshments all carried out the Halloween idea.

Miss Letha Hungerford and Clarence Weidner were united in marriage Saturday afternoon at the parsonage of the St. Paul's M. E. church, with the Rev. C. H. Black performing the ceremony. The bridegroom is the son of James F. Weidner of the Platrock neighborhood and the bride's parents are Mr. and Mrs. Alva Hungerford of the same section of the county. Mr. and Mrs. Weidner are to make their home on a farm southwest of the city.

A family reunion was held at the country home of Mr. and Mrs. Albert Denning west of the city yesterday. A pitch-in dinner was served at noon to the following guests: Mrs. Earl C. Smith of Delphi, Mr. and Mrs. Homer Havens, Mrs. Gertrude Smith, Dr. and Mrs. Will C. Smith and son, Conwell, and Mrs. George Hogsett.

Mr. and Mrs. O. M. Harton, Mr. and Mrs. Cliff Winslip, Mr. and Mrs. Bert Davidson, Mr. and Mrs. Hubert Innis, Mr. and Mrs. Pearl Wamsley and Mr. and Mrs. Charles Winslip formed a week-end motor party for a trip to Camp Taylor, Ky. They went in four machines Saturday and arrived home last night.

Mrs. Donald Alexander will entertain the members of the Psi Chi sorority with a luncheon and shower as a compliment to Mrs. Allen T. Blackledge, formerly Miss Inez Stager. The affair will be given Wednesday, noon at the pretty country home of Mr. and Mrs. W. A. Alexander of the city.

A meeting of the teachers and officers of the St. Paul's M. E. Sunday school will be held Thursday evening at the church following the regular prayer meeting service. The fall rally will be discussed and a large attendance is desired.

Mr. and Mrs. Wilbur Wilson of North Sexton street entertained with a pitch-in supper last evening for Mr. and Mrs. Ot Talbert and Mr. and Mrs. Ralph Harrold and daughter Maude Adeline, who motored here from Newcastle.

Mr. and Mrs. Phil Wilk announce the engagement of their daughter, Erema, to Miller Hamilton of South Bend, the wedding to take place early in November.

"AGGIE" WORKERS IN CONFERENCE

Twelfth Annual Session is Opened at Purdue—Seek Greater Production

W. E. STONE ONE OF SPEAKERS

(By United Press.)
Lafayette, Ind., Oct. 22.—The twelfth annual conference of Indiana extension agricultural workers opened at Purdue University today will continue until Friday. Means of obtaining increased production of grain and livestock in the state during the war, were the most important topics for discussion during the meeting.

W. E. Stone, president of Purdue, opened the meeting today with an address on "The Farmer and the Nation." He explained how the farmer was before the nation now in a more important position than ever before and for this reason, must bear increased responsibilities.

The work which Indiana is doing in the food conservation and production campaign was explained by Ralph W. Moss, chairman of the food production and conservation committee in an address on "Indiana's Place in the National Food Program."

G. I. Christie, in charge of the food production campaign in Indiana during the last season, told of the work which had been accomplished through farm agents under direction of the food workers.

A special program had been prepared for women attending the meetings. Miss Florence W. Ward of the United States department of agriculture, led discussions in the part women should take in county and city war work.

Days Pickings

St. Paul's Methodist church and Sunday school is arranging an honor roll of all the young men who have come into their country's service from the homes of church or Sunday school members. The church is planning to keep in close touch with her soldier boys throughout the period of the war. Amos Baxter is in charge of this work, and parents and friends of soldier boys from the Methodist church or Sunday school are requested to report such names and addresses to him at once.

Local freight agents have been advised that the three per cent war tax will be applied to all unpaid freight bills on and after November 1, when the tax takes effect. All freight bills on and after that date likewise will be taxed three per cent.

L. C. Mosier, for seven years employed at the I. & C. car shops, here has been employed to take charge of the blacksmith department of the Northern Ohio Traction and Light company at Akron, Ohio. He left for Akron Sunday evening.

The body of Mrs. David E. Brown, mother of George Fienner of this city, who died last week was brought here yesterday from the late residence near Muncie and burial will take place in East Hill cemetery.

The funeral of Mrs. Margaret Chomel was held from her parents' home yesterday afternoon at 2:30. The Rev. Clyde S. Black of the Methodist church conducted the service.

Bert Ormes has appealed from the decision of mayor's court, where he was fined \$1 and costs September 24 for speeding, to the circuit court and the case will be set down for trial.

On account of the illness of the Rev. D. Ira Lambert, there were no regular church services at the First Presbyterian church yesterday morning and evening.

Ernest F. Marlatt has been promoted to the position of city editor on the Evening News of Kenosha, Wis., where he has been located for the past few months.

A marriage license was issued Saturday to Miss Leatha Hungerford and Clarence Weidner.

Remember that the heaviest hogs are the spotted Polands and a cross with any other good breed, come to Reeve's sale and see the offering—Oct. 26th; on I. & C. traction, stop 26. All cars will be met. 18814

HOOVER TO TALK AT DAIRY SHOW

Food Administrator is Headliner at Meeting at Columbus, Ohio, Today

2,000 PRIZE CATTLE SHOWN

Carries Message of Food Production and Conservation—Held at Fair Grounds

(By United Press.)
Columbus, O., Oct. 22.—With 2000 prize cattle, horses and a vast amount of farm machinery on exhibition, the National Dairy Show, the largest agricultural exposition to be held in the United States this year is being held at the Ohio State Fair grounds here.

The show carries the message of food production and conservation. Dairymen and farmers are being told that the best animals are necessary to increase the production of dairy products and the way to use the products most economically is being pointed out to consumers.

Herbert Hoover was to address a mass meeting of the American Dairy Industry today. Following the meeting, the American Jersey Cattle Club, the American Dairy Science Association and the International Milk Dealers Association will open conventions, and Jersey cattle will be judged.

A national marketing conference will be held tomorrow by the federal agricultural departments bureau of markets. Other conventions which are to be held during the show are the American Guernsey Cattle Club, the American Dairy Farmers Association and the Ohio Association of Creamery Owners and Managers on Oct. 23, and the Holstein-Friesian Association of America on October 24.

LOCAL PEOPLE ARE UNHURT

Missouri Car Crashes Into Rushville Machine at Connersville

Four Rushville persons escaped injury in Connersville Sunday when an automobile struck their machine at the corner of Third street and Central Avenue. Mr. and Mrs. E. L. Kennedy, Mrs. Emerson Hinchman and Mrs. Marshall Newhouse were in Kennedy's machine. The name of the driver of the other car was not learned because he drove his machine away before any opportunity was offered to make an inquiry. A pennant on the machine indicated that it was from Downing, Mo. The front axle and one fender of the Kennedy machine were bent and the Rushville people had to return home on a traction car.

POSTMASTER RESIGNS

Dan T. Geise, postmaster at Glenwood, has resigned and a civil service examination to fill the vacancy will be held here Saturday, November 24. The Glenwood office is in the fourth class and therefore under civil service.

TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Backache or Bladder troubles you—Salts is fine for Kidneys.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush out the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive, harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

A Hard Winter

Yes, you have heard it prophesied by the old timers that this winter is going to be a hard one.

YOU CAN DO YOUR BIT

and lessen your winter hardship by making the same clothing do this winter that you wore last. If it is a little shabby in appearance, a little soiled or mused, don't let that worry you. After a trip to our dry cleaning, repairing, altering and pressing departments you will not recognize it.

NO MATTER WHAT THE GARMENT IS — Overcoat, Suit, Dress, Skirt or Waist—WE CAN DO IT.

Cut Down Your Clothing Expense and Buy a Liberty Bond.

DO YOU WANT PROTECTION?

THEN HELP PAY FOR IT

You Have Until October 27th to Subscribe to the SECOND LIBERTY LOAN Of YOUR Government

When we start out to war with the ruthless militarism of Germany, we had better not start out empty handed. Every man, woman and child in the United States has a formidable enemy confronting him or her, a ruthless enemy whose path we have crossed, a trained, efficient, experienced, desperate and vastly powerful enemy. It is going to take every dollar we can spare to defeat this Dragon.

Any man who can pay as much as \$1.00 per week and does not buy a United States Bond of the Second Liberty Loan, is most surely a misguided if not undesirable citizen.

The honor and sovereignty of our country has been grossly violated and invaded, as will be the sanctity of our homes if we DO NOT WIN THE WAR.

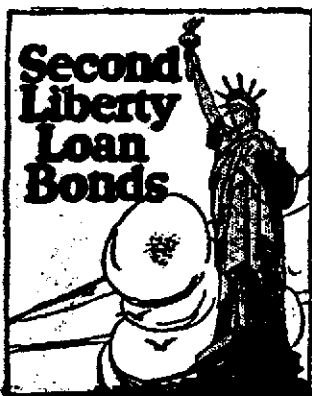

Are you DEPENDING on SOME ONE ELSE who has already bough Liberty Bonds to almost the limit of their ability, to lend more money to SAFEGUARD YOUR PROPERTY and PROTECT THE SANCTITY AND LIVES OF YOUR WIFE AND DAUGHTER, and preserve this glorious Free Republic?

There is but one business now and that business is War. Will you have a LIBERTY BOND which pays you 4 per cent interest, secured by the fertile soil and immense wealth of the whole United States, or will you have a TAX RECEIPT? It is for you to decide.

Rush County Has Subscribed About 50% of Her Second Liberty Loan Allotment

All That We Have and Are and Hope To Be Is At Stake!

*Will You be Marked as a Slacker,
and Possibly as One Who Was
Forced to Buy or Pay?*
